Established in memory of Harlan D. Mills to recognize researchers and practitioners who have demonstrated long-standing, sustained, and impactful contributions to software engineering practice and research through the development and application of sound theory.

The award consists of a $3,000 honorarium, plaque, and a possible invited talk during the week of the annual International Conference on Software Engineering (ICSE), co-sponsored by the IEEE Computer Society Technical Community on Software Engineering (TCSE).

Nomination Guidelines
- The award nomination requires at least 3 endorsements.
- Self-nominations are not accepted.
- Nominees/nominators do not need to be IEEE or IEEE Computer Society members.
- Submit your nomination by 1 October 2022 to bit.ly/harlan-mills-award
