Nomination Questions for
Computer Science & Engineering
Undergraduate Teaching Award

(Important - This is not the official nomination form; please login into the awards nomination site to submit your nomination electronically.)

1. Nominee’s contact information

2. Nominator’s contact information

3. Proposed Citation
Give a brief citation (fifteen to twenty words or less) indicating the most salient reason the nominee is qualified for the award.

4. Education
List the nominee's educational background (institutions, degrees, years, and honors at graduation, if any).

5. Outstanding Education/Teaching Contributions
Explain the nominee’s contributions that you feel merit this award. The selection process will focus on the following factors:

   Input from Colleges:
   (a) Documented evidence of sustained excellence in undergraduate teaching.

   Advising and Mentoring:
   (b) Documented evidence of excellence in advising and mentoring undergraduate students.

   Courses and Labs:
   (c) Development and implementation of undergraduate courses and laboratories.

   Innovation:
   (d) Dissemination of successful or innovative approaches to undergraduate teaching.

6. Endorsements

   **This award requires three endorsements**
Endorser’s contact information includes: Last Name, First Name, & Email address.
Endorser’s letters must be received by the award deadline.

7. Upload a file
Nominators have the option to upload a document to submit an attachment. The attachment must include responses to all nomination questions for the award.

FAQ’s
- Anyone may nominate. Membership in IEEE or the IEEE CS is not required to nominate, endorse, or receive IEEE CS awards.
- Self-nominations are not accepted.
- Franchised Board of Governors members cannot nominate or endorse major award nominations.
- Please direct awards related questions to awards@computer.org.
