Why Become a Supporter?

WACV provides various ways for sponsors to support the community while gaining exposure as well as other benefits, which include:

- Connect with international experts and influencers who can evaluate your products and influence their adoption.
- Reinforce your brand on a global stage.
- Meet conference participants from around the world—potential customers and collaborators—including leading researchers from government, industry, and academia who specialize in computer vision and related engineering fields.
- Position your company as a leader in the computer vision space by showcasing your innovations to 800+ attendees.
- Create opportunities to recruit top tech talent, and build relationships with in-demand professionals.
- Ensure continued exposure to thousands by being listed as a sponsoring company in the published proceedings, hosted on IEEE Xplore.

WACV attracts decision-makers looking for the next generation of products, solutions, networking, and advanced-industry perspectives. Put yourself in the position to meet them at WACV 2023!
