International and Multifaceted

IEEE Quantum Week is an interdisciplinary conference and exhibition with a unique focus on quantum technology, research, and development. This fast-growing event is known to bring together the world’s innovators to showcase quantum research, practice, applications, education, and training.

Be a part of this world-recognized event that convenes the brightest minds, the most innovative research, and the most exciting companies working with quantum computing and engineering.

At IEEE Quantum Week, you’ll connect with industry leaders, investors, and potential clients who can accelerate your business growth.

As an exhibitor and sponsor, you will:

- Gain exposure for your technologies to a wide range of international quantum computing professionals including key decision-makers.
- Position your technologies in front of buyers and investors. Meet and discover new collaborators for future projects.
- Distinguish your brand as a leader in quantum computing.
- Recruit top talent and meet potential new employees who are passionate about quantum technologies.
- Ensure continued exposure to thousands by being listed as a sponsoring company in the published proceedings, hosted on IEEE Xplore®.
- Benefit from being affiliated with the event via inclusion in marketing and promotions.

Exhibit Hall: 16–19 Sept.

- Monday, 6:30 PM–8:30 PM
- Tuesday, 9:00 AM–5:00 PM
- Wednesday, 9:00 AM–5:00 PM
- Thursday, 9:30 AM–3:00 PM

MAKE AN IMPACT WITH EFFECTIVE SPONSORSHIP OPPORTUNITIES

IEEE Quantum Week, the leading venue for presenting high-quality original research, ground-breaking innovations, and compelling insights in quantum computing and engineering, is where industry professionals, researchers, educators, and key decision-makers convene to advance the quantum field.

Who Attends Quantum Week?

IEEE Quantum Week attracts decision-makers looking for the next generation of products, solutions, networking, and advanced industry perspectives. Put yourself in the position to meet them at Quantum Week 2024! Past attendees expressed that they had never been to a conference that so precisely targets both the industrial and research communities.

JOB TITLES HELD BY IEEE QUANTUM WEEK 2023 ATTENDEES INCLUDE:

- Quantum Computing Scientist
- Quantum Research Scientist
- Lab Manager, Quantum Computing
- Quantum Hardware Developer Engineer
- Quantum Software Engineer
- Principal Systems Engineer
- Quantum Development Engineer, Test & Measurement
- Clinical Data Programmer
- Research & Development Quantum
- Computing Scientist
